BACKGROUND

Under the terms of Sections 504a and 1225 of Act 451, Public Acts of Michigan, 1976, as amended (the "Act"), a public school academy may borrow money for school operations by issuing its notes. Under the Act, it may pledge its state aid pursuant to the State School Aid Act of 1979 (the "State Aid Act") as security for these notes. Under the Act, these notes shall be full faith and credit obligations of the Academy.

The estimated amount of state aid appropriations to be allocated to the Academy pursuant to Section 20(2) of the State Aid Act, and to be paid to the Academy for the fiscal year ending June 30, 2006 (from October 2005 through July 2006), is shown in paragraph 1 of Exhibit A (the "2005/2006 State Aid"). The 2005/2006 State Aid is pledged as security for the Academy's notes and is sometimes referred to as the "Pledged State Aid."

The Academy needs to borrow not more than the amount shown in paragraph 3 of Exhibit A. The Academy needs to borrow this amount to pay operating expenses for the current fiscal year beginning July 1, 2005. This amount is estimated to be not more than 70% of the difference between the total state aid funds apportioned to the Academy for 2005/2006 and the state aid already received or pledged for 2005/2006.

The Academy plans to issue or has issued notes, bonds or other obligations in calendar year 2005 in the amount shown in paragraph 2 of Exhibit A.

The Academy must either be qualified or obtain prior approval for the issuance of the notes from the Department of Treasury (the "Treasury") of the State of Michigan.

The appropriate business officer, manager or official of the Academy has recommended to the Board of the Academy that the Academy borrow an amount not to exceed the amount shown in paragraph 3 of Exhibit A and issue the general obligation notes (the "Notes") of the Academy for that purpose to the Michigan Public Educational Facilities Authority (the "Authority").

THE BOARD THEREFORE RESOLVES THAT:

1. Designation of Authorized Officers. The Board Members, officers and/or business officials designated in paragraph 4 of Exhibit A are designated as "Authorized Officers" with respect to the Academy's notes, and are authorized and directed to take certain actions on behalf of the Academy as described below.

2. Borrowing Authorized. Pursuant to Sections 504a and 1225 of the Act, the Academy shall borrow a sum not to exceed the amount shown in paragraph 3 of Exhibit A for operating purposes. The final amount shall be determined by an Authorized Officer prior to the sale of the Notes. The amount shall not exceed the amount approved by the appropriate State agency, if prior approval is necessary. The Academy shall issue general obligation Notes for this purpose in anticipation of the distribution of Pledged State Aid for the fiscal year ending June 30, 2006 (the "Current Fiscal Year").

3. Terms and Conditions. The Notes shall bear interest at the rate or rates determined by an Authorized Officer. The rate or rates shall not exceed the maximum rate permitted by law at the time of sale. The Notes shall be dated as set forth in paragraph 6 of Exhibit A. The Notes shall be due and payable on the date shown in paragraph 7 of Exhibit A. The Notes shall be payable in lawful money of the United States of America at a bank or trust company approved by the Authority. The Notes shall be in any denomination. The Notes shall not be subject to redemption prior to maturity and may not be prepaid before they are due.

4. Pledge of State Aid. The Academy pledges the Pledged State Aid as security for repayment of the Notes. The Academy appropriates a sufficient amount of the Pledged State Aid to repay the principal of and interest on the Notes. In addition, the Academy pledges its full faith and credit for payment of principal of and interest on the Notes. In case of the insufficiency of the Pledged State Aid, the Academy shall pay the Notes as a first budget obligation from any funds legally available for such purposes.

5. Execution and Delivery of Notes. An Authorized Officer shall execute the Notes on behalf of the Academy. The executed Notes shall be delivered to the Authority upon the receipt of the purchase price for the Notes.

6. Compliance with Revised Municipal Finance Act. The person identified in Paragraph 5 of Exhibit A is appointed to act as the Academy's Chief Administrative Officer. The Chief Administrative Officer shall provide all necessary information and execute documentation and forms required by the Revised Municipal Finance Act. The Chief Administrative Officer is authorized and directed to make application to Treasury for and on behalf of the Academy for qualified status or for an order approving the issuance of the Notes, if applicable, and to pay any applicable fee.

7. Authorization for Signing Additional Documents. Each Authorized Officer is further authorized to execute any documents or certificates necessary to complete the transaction including, but not limited to, any certificates relating to federal or state securities laws, rules or regulations.

8. Intercept of Academy State Aid.

(a) Payment of Monthly Installments. Pursuant to the agreement of the Academy's authorizing body, and unless otherwise agreed to in writing by the Authority, an amount equal to the Issuer's monthly principal and interest obligation on the Notes of the Academy's 2005/2006 State Aid to be allocated to the Academy shall be transmitted directly by the State Treasurer to the trustee designated by the Authority and shall be deposited in a separate fund with such trustee (the "Trustee") in ten (or such other number as shall be provided for in the Purchase Contract) monthly installments (the "Installment" or "Installments"). Installment payments will commence on or before October 20, 2005 (or such other date as shall be provided for in the Purchase Contract), and on or before the 20th of each succeeding month through July 20, 2006 (or such other date as shall be provided for in the Purchase Contract) (the "Payment Dates"). If a Payment Date falls on a Saturday, Sunday, or legal holiday, the Payment Date shall be the preceding business day. The payment to the Trustee shall be made first from the State School Aid allocated to the Academy during the month of the Installment. If, for any reason, the 2005/2006 State School Aid allocated to the Academy during the month of the Installment is insufficient to pay the Installment, then in that event the Academy pledges to use any and all other available funds to meet the Installment obligation.

(b) Provisions Applicable Upon Default. If (i) on any due date for any Installment, the funds with the Trustee, together with scheduled future Installments, are insufficient to pay the principal of and interest on the Notes when due, or (ii) the Authority at any time receives written notice from the issuer of the letter of credit securing the Authority notes stating that such letter of credit issuer deems itself insecure with respect to payment of the Notes when due, then:

(A) Notice of Default. The Authority shall notify (or cause notice to be given to) the Academy and the authorizing body in writing of such event; and

(B) Academy Assignment of Additional Intercept/Advancement of State Aid to Cure Default. Pursuant to Section 17a(2) of the State Aid Act, and to the extent necessary to meet the payment obligation, the Academy assigns to the Authority and authorizes and directs the State Treasurer to intercept and/or advance not to exceed 97% of any payment which is dedicated for distribution or for which the appropriation authorizing payment has been

made under the State Aid Act, and in such event the Authority is authorized, pursuant to Section 17a(2) of the State Aid Act, pursuant to the agreement of the authorizing body, to intercept and/or seek an advancement of 97% of the Pledged State Aid to be allocated or otherwise distributed to the authorizing body with respect to the Academy; and

(C) Authority Intercept/Advancement of State Aid to Cure Default. Beginning immediately, in accordance with the terms and conditions of the Purchase Contract (the "Purchase Contract") between the Authority and the Academy, the Authority shall immediately notify (or cause notice to be given to) the Academy and the authorizing body that it will immediately commence to intercept or seek an advancement of the Pledged State Aid and the Authority shall intercept or receive an advancement of 97% of the Pledged State Aid to be otherwise distributed to the authorizing body.

(c) Priority of Payments. The intercepted and/or advanced amount shall be applied on the following priority basis: (i) the amount required to pay the principal of and interest on the Notes when due shall be held by the Trustee for such purpose and (ii) to the extent in excess of the amount required to make payment in full of the Notes, any amounts remaining to be immediately distributed to the authorizing body or as otherwise directed by the Authority. The process set forth above shall continue until sufficient funds are deposited with the Trustee to pay principal and interest on the Notes.

(d) Nonpayment at Maturity. The Pledged State Aid due to the Academy during any month shall under no circumstances be less than the amount of one Installment. If on July 20, 2006 (or such other maturity date as shall be provided in the Purchase Contract) the funds with the Trustee, are insufficient to pay the Installment and Notes when due, the Academy, pursuant to Section 17a(2) of the State Aid Act to the extent necessary to meet the payment obligation, assigns to the Authority and authorizes and directs the State Treasurer to advance 97% of any payment which is dedicated for distribution or for which the appropriation authorizing payment has been made under the State Aid Act.

9. Purchase Contract. An Authorized Officer is hereby authorized to execute and deliver a Purchase Contract with the Authority in substantially the form attached hereto as Exhibit B with such additions, deletions or substitutions as the Authorized Officer shall deem necessary and appropriate and not inconsistent with the provisions of this resolution.

10. Authority of Authorized Officer to Determine Terms. Subject to the provisions of Section 3, an Authorized Officer is further authorized to approve the specific interest rate to be borne by the Notes, the purchase price of the Notes, the number and amount of Installments and other terms and conditions relating to the Notes and the sale of the Notes.

11. Required Note Content. The form of Notes shall contain the following paragraph:
To the extent permitted by law, the principal of and interest on this Note which remains unpaid after this Note has matured shall bear interest until paid at an interest rate per annum based upon a 360-day year or "actual day year" as determined by the Authority and approved by the Authorized Officer for the actual number of days elapsed equal to a rate determined

by the Authority and approved by the Authorized Officer not exceeding the maximum rate permitted by law.

12. Issuance of Additional Obligations. The Academy reserves the right to issue additional notes or other obligations of equal standing with the Notes as to the Pledged State Academy further agrees that the amount payable as to principal and interest on the Notes plus the amount payable as to principal and interest on or prior to the maturity date of the Notes on any additional notes or other obligations of equal standing with the Notes as to payment from Pledged State Aid will not exceed 70% (or such lower percentage as may be required by the Authority) of the total state aid funds apportioned to the Academy for 2005/2006.

13. No Impermissible Uses of Note Proceeds. The Academy covenants, warrants and represents that none of the proceeds of the Notes will be used to finance the purchase, construction, lease, or renovation of property owned, directly or indirectly, by any officer, board member or employee of the Academy.

14. Conflicting Resolutions. All resolutions and parts of resolutions insofar as they conflict with the provisions of this resolution be and the same hereby are rescinded.
